

Thank you for visiting our site! I started this endeavor in 2003 and have been blessed to see what has happened throughout the years. Thanks to support from family, friends, and others we have helped several schools in the local Tampa Bay area as well as students in other states and continents. The needs are vast and every dollar makes a difference. I pray that you will see the evidence of our efforts and will support our organization so we can impact even more lives. I started college in 2001 and was unsure of my future and what my purpose was in life. I knew I wanted to help the children of our world but wasn't sure what the best way was to achieve my dream. From the depth of my being I feel that this dream was birthed from my father in heaven. If it were not for prayer and my belief in God this organization would not be in existence.

I would like to take the time to thank everyone in my life that has supported me and this endeavor throughout the years. I couldn't have done any of this on my own and recognize the importance of having people in my life that have helped to achieve my dreams.

Blessings,
Tara Scarborough
